Subject - Construction of a new building for the Tumkur Club
======

In forwarding a copy of the letter of the Secretary, Tumkur Club, requesting for a special grant of Rs 5,000/- from Government towards the construction of a new building for the Club, I have the honor to state that the Club is at present housed in a wing of the Town Hall, this accommodation being rather insufficient and inconvenient The Club Committee which met on 5-12-1943 accordingly decided to put up a new building for the Club at a cost of about s 10,000/- in the premises of the Town Hall

The Municipal Council was requested to agree to the selection of the proposed site and to make a liberal donation towards the cost of the new building The Municipal Council have since resolved to contribute a sum of Rs 2,500/- out of their funds and to grant a free site 250'x150' to the west of the Town Hall for the purpose A copy of the Municipal President's letter No H C 54/43-44 dated 14-1-1944 in the matter is enclosed for perusal The above resolution of the Municipal Council is being submitted to Government separately for sanction

An independent and decent building for the Club in a District Headquarter town like Tumkur is a necessity The site selected to the west of the Town Hall building is suitable and the Municipal Council have agreed to grant it free of cost It is proposed to put up the new building in a line with the Town Hall so as not to interfere- with ~~the~~ its view The plan of the site is enclosed for perusal The

The approval of Government may therefore be obtained to the free grant of the site in question for the Club Building as resolved by the Municipal Council

The Executive Engineer has kindly furnished a plan of the building at a cost of Rs 14,500/- which is proposed to be met partly by Municipal contribution and Government grant and partly by public subscriptions A special grant of Rs 5,000/- from Government is prayed for and the Club will be grateful if the Government will be pleased to sanction the same, considering that the Club itself has no resources of its own -

Orders of Government are solicited on the above requests of the Club at a very early date as it is proposed to commence the construction of the new building immediately

I have the honor to be,

Sir,

Your most obedient servant,

Copy of letter No Nil dated nil from the Secretary, The Club, to the Deputy Commissioner, Tumkur District

In the matter of Club building, a special general meeting of the club was held on 5-12-1943 and it was resolved that a new building be constructed for the club and that the Municipality be requested to grant a suitable site free of cost and a grant of Rs 5000/- for the construction of the building and it was further resolved that Government be requested to make a special grant of Rs 2500/-(Two thousand five hundred towards the cost of the new building as in the case of grants sanctioned for construction of similar buildings in the State

The subject was placed before the Municipal Council on 6-12-43 which unanimously resolved for the grant of a site measuring 250 feet north to south and 160 feet east to west, towards the western side of the Town Hall, --as per sketch drawn by the Municipality

As the site sanctioned by the Municipality is too small for the club building and for its out-door games, such as, Tennis etc , I request that you may be pleased to recommend to the Government to grant the club for the proposed new building as per resolution of the Club, an extent of land measuring two acres

In pursuance of the resolution of the Municipal council, the Executive Engineer was requested to have a plan and estimate of the proposed building prepared and he has sent up a plan and an estimate at a cost of Rs 14,500/-

In view of this estimate, the grant sanctioned by the Municipality is not adequate I request that you may be pleased to recommend to the Municipal Council to enhance its grant by another sum of Rs 2500/- two thousand five hundred

In addition to the grant sanctioned by the Municipality and the special grant by the Government for which a request is now made, the balance will be raised by subscriptions and donations

A copy of the resolution passed by the club and a copy of the letter received by the President, Municipal Council, have also been forwarded for your perusal

In these circumstances, I request that you may be pleased to recommend to the Government for a special grant of at least Rs 5000/- (Five ~~Four~~ thousand)
